LUKE 17 : 24 – 27, 30

. . . as it was in the days of Noah . . .

Mechanics & Dynamics

Is it possible to have the right <u>mechanics</u> but the <u>wrong dynamics</u>?

Grace for young gifts.

26 The Spirit of God can be identified by Its characteristic. See? The Spirit of God, and the spirit of the church. There is a church spirit, and a Spirit of God that's absolutely not like the church spirit, at all.

There is a denominational spirit.

64-0320 God Identifying Himself By His Characteristics

27 There is a national spirit. There is a spirit of the nation. Every nation, when I go into, you walk in there, you find a different spirit. I went into Finland, fine people, but there was a Finnish spirit. I go down into Germany, there is a German spirit.

74 We could make a lesson out of that. That's so much today! Now you Methodist, Baptist, Presbyterian, Lutheran, Catholic, whatever you are, see, you are doing that same thing. …

… You are perceiving because that Wesley had a great revival, Luther had a great revival, or Pentecost had a great revival, you are perceiving that He is among the people, when, sometimes He isn't there.

GENESIS 6 : 5 - 14

. . . God to Noah . . .

QUESTION ASKED...

In Genesis 6:3-6 what does it mean when the Lord repented that He has made man on the Earth?

65-0418E Does God Ever Change His Mind About His Word?

62-0318 - "The Spoken Word Is The Original Seed"

172 The ark was made out of gopher wood and shittim wood. It's the most...It's nothing but just hollow. Nothing in it but hollow. Everything is taken out of it; it's growed that way, the lightest wood there is, lighter than balsam. Why did they do it?

62-0318 - "The Spoken Word Is The Original Seed"

… So he could soak it with pitch. "If it'd been oak," you say, "wouldn't oak do just as good?" No, sir. It won't soak up nothing. It turns it away. It—it's repellent; and this is an absorbent.

173 And a real Seed of God is an absorbent for the Spirit. All denominationalism is took out. All unbelief is out. And when the Holy Spirit comes into that Germ of Life that's laying there, It produces another Seed, just exactly. Another son of God is born. Amen. Another amateur god, son of God

61-1001E - "The Comforter"

75 And, oh, how the Christian can soak It up, oh, if you're empty. But you got to empty up, first. The trouble of it is, we don't want to empty up. But let's empty up, all of our thoughts, all of our creeds, all of our books; and soak up the Holy Spirit, which is God His Word.

65-1127B - "Trying To Do God A Service Without It Being God's Will"

258 The very word prophet means that "he is a revealer of the Word of God," the interpretation only comes to that. And that's why today we're in such a need of this great person that's supposed to be sent to us in the form of the prophet Elijah, …

65-1127B - "Trying To Do God A Service Without It Being God's Will"

… because it'll be the revelation of God made known to us by vindication, showing that it's the day and the hour and the season that God promised it to be in. And, remember, he'll be spoken against; always has been, always will be. Rejected, just like the shuck will pull…

... First he'll be accepted, because the shuck only holds the wheat until it's able to get forth to the sun. Pentecost will only sheltered the Message, give It an open door until It gets scattered, and then the shuck will pull away, and the wheat will lay in the Presence of the Son, see, to ripen.

9 And when the church becomes without the Water of Life, it gets dry and sticky, too, sticking and punching at everything. But where the waters of Life flows, it opens up the leaf and makes it tender, mellow and sweet, holy and acceptable unto God. …

… So may the Lord God water us, tonight, that we won't be stickers; but we'll be fine leaves that the wayward people might sit down under the tree of our shade and find rest to their souls.
