65-0911 - God's Power To Transform

200 What are we trying to do, anyhow? Are we trying to establish our church or are we trying to establish the Word of God? What are we trying to do? What are we working at? Are we trying to get the people back into This? What's this great Eve trying to do here in this last days, this church Eve?

The world has gone mad.

65-0911 - God's Power To Transform

137 Now how the poison has struck the church, struck the earth! Satan's poison upon the Seeds, has put cavities in it and caused it to be deformed. More and more, he sinks deeper into the hearts of the churches, and in the hearts of the people and everything, science, science. ...

... Until it's become a place where the human race, by being interbred...I believe every seed should bring forth of its kind. And the human race, and the plant, and all being interbred, has brought us to a place; in eating our food from the earth, which, our bodies, has made hybrid, it's put our whole minds...

65-0911 - God's Power To Transform

... Now, if our bodies are falling, from twenty to twenty-five years old, because of degenerated cells, by hybrid foods, don't our brain cells degenerate? Isn't that cells, also? ...

... That's why Ricky runs through the street here, with this hot rod; while Ricketta, Elvitta's, and many of them, as we would call name, out here half naked before the people, mentally gone, no more conceptions of decency or morals.

In case anyone was unclear if
it is good or bad to have a
television in your home...

65-0911 - God's Power To Transform

Brutality of WWII

65-0911 - God's Power To Transform

142 God, my Rock, shelter us today, O God, when these poisons are flying everywhere in the name of science and education. Shelter us. Keep me until that day, O God, is my prayer. Now I hope that we, each one, are under that Rock, Christ.
