Planning to Win

JAMES 1 : 17 - 22

. . . putting into action and slow to speak . . .

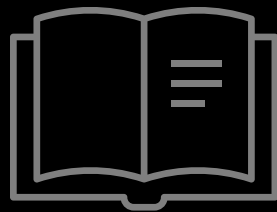

Two eyes, two ears
and ...

Two eyes, two ears
and
one mouth.

PROVERBS 29 : 17 - 22

. . . no vision, raising a son! . . .

55-0224 Water From The Rock

63 Listen. I will drop this on just for a minute. Any time, any place, any part of the Bible, where God's Message is going, there was signs and wonders following It, always. Never a still ritualistic thing. They died when they got without a vision, perished. ...

63-0120M The Voice Of God In This Last Days

21 It's a very outstanding time. We realize that where we're speaking from in the Scriptures, that it said, "There was no open vision in the days of Samuel." Therefore, "Where there's no vision," the Bible said, "the people perish." We must have a vision. And visions comes to the prophets, and it's the Word of the Lord spoken to them.

**Vision is not just seeing
into the past or future.**

**“... I do nothing
unless the Father
first shows me ..”**

**A prophet's vision,
given by God,
is given for a reason.**

“... without a vision the
people perish..”

**So why does a
prophet
have a vision?**

A vision from God answers ...

1.) Where do I go?

2.) How do I get there?

“... without a vision the
people perish..”

Vision...

- 1.) **Objective:** Where are we going?
- 2.) **Plan:** How do we get there?

If you look at yourself
5 years from
now are you happy?

If you don't like
what you see,
what would you change?

What steps should be
different today to
change that outcome?

A plan
does not
control the outcome.

A plan for tomorrow
tells you
what to do today.

“... give no thought
of tomorrow ...”

Failing to plan
is
planning to fail.

Planning is a tool,
not the master.

Just the right size steps.

Just the right size steps.

64-0802 - "The Future Home Of The Heavenly Bridegroom And The Earthly Bride"

105 See how Satan, here in the Scripture, tried to make Him break God's plan to receive it, give it to Him when he took Him up on the mountain, and tried to give it to Him without the purchase of the Blood?

64-0802 The Future Home ...

106 Did you notice how Abraham, when they tried to give him the land, he bought it with so many shekels of silver, before the people, as a ensign, as a witness? “Let it be known this day that I bought this burying place.” See, purchase it! And Satan tried to give Him the kingdom which belongs to him now. He tried to give it to Him as a gift, but He wouldn't receive it.

So what is
your plan to win?
