**59-0920 Planting The Vine And Where To Plant It**  
57 Now, Israel, in Egypt, was not planted. They were just set out. It wasn't their original home ground. And a man that's a Christian, that rests his Eternal destination upon some denominational creed, he's not in his right place. He was born to be free, and a child of God, to worship God. But, you know, you businessmen and women, you don't think in those terms. And it's not a good thing, because it can be stolen.

## 64-0314 The Investments
