Also do you teach that we must

fishing on Sunday?

64-0830M Questions And Answers #3

124 I believe it's a sin to fish, and hunt, and work on Sunday when you can go to church. Now, I believe you're transgressing the laws of God. "Is there a commandment to such?" Yes, sir! Now, in the Old Testament we had a type of the Sabbath day.

... It was all...And Jesus did not come for you to keep Sabbath days. The old Sabbath day was Saturday, which was the end of the week. Sunday is the eighth day, or the first day of the week, which Jesus rose on.

125 I do not believe it's right to...Now, if you're way away into a wilderness somewhere, and you're out there on a hunting trip, there's no church around, anything like that, and there's nothing you can do; and if you was fishing, I believe that would be all right. But if you're around in the city, or around where church is going on, you should attend church by all means, somewhere.

64-0830M Questions And Answers #3

126 And I believe, as far as working, I believe if the ox is in the ditch, or something has to be done on Sunday, you go ahead and do it, if it's something that you couldn't help, it had to work that way. But if you just do it, and wait till Sunday to do it, or just do it like that, you're wrong. See? We must not do that, we must respect that holy day.
