65-1128M God's Only Provided Place Of Worship

70 So, you see, as long as there's something in the human heart calling for something, there's got to be something out there to respond, to satisfy that call.

65-1121 What House Will You Build Me?

16 We must look to the leading of the Holy Spirit. But one thing that troubled me in coming here, and to telling people, “Well, you should not come,” or, “You should come,” that I leave up to each individual, the way God leads that individual to do. I think every one of us should do that, be led by the Spirit, on what to do.

63-0731 There Is Only One Way Provided By God For Anything

115 Oh, if the church could only be so in the glorious Presence of God, someday God will turn loose His Power into It, things will take place. But you can't mix your diet; you'll become a hybrid. Stay exactly what God said. Stay right in the Word, and God will vindicate It to be the Truth.

62-0601 Taking Sides With Jesus

So, my young brethren, you all that's going out here in these churches, hold to God's Word. Don't you move. If you can't make it come to pass, don't stand in nobody else's way. ...

62-0601 Taking Sides With Jesus

... Stand there, beating at the door of the gate, just pointing right to It. That's right. Stay right there. Don't start fanaticism, 'cause it'll show you up. But if you'll stay true and holy, and with that Word, God will vindicate you. That's right.

56-0816 The Working Of The Holy Spirit

Like here some time ago, you might have noticed in the paper at Denver, Colorado. They never did know what happened. The Lord had sent me over there. He showed me a place. He said, “Now, there’s a place where there’ll be a car parked this a way,” in a vision....

56-0816 The Working Of The Holy Spirit

... He said, "It's a gray car. You'll be going down the street this a way, and there's a white house. And when you look in behind there, there's a gate that opens. And there's hole laying right down behind the gate."

56-0816 The Working Of The Holy Spirit

22 And said, "There'll be a man come out and get in a car packing a briefcase. Go at the door." And said, "When you do, there'll be a woman weeping. And when you go in, lay your hat down on the bed, and then she'll pick it up and lay it over here on a television. ...

56-0816 The Working Of The Holy Spirit

... And there'll be another lady come in with a red sweater on and set down here. Then go lay your hands on this sick baby and say, 'THUS SAITH THE LORD.'" See? I knew what it was.

56-0816 The Working Of The Holy Spirit

Then He showed me a man coming down. I looked, and I seen a clock. And I heard something going squeak, squeak, squeak, and I looked, and there was a man coming down in a wheelchair. That's the one the papers wrote up, in a wheelchair holding a Bible, crying. ..

56-0816 The Working Of The Holy Spirit

... He said, "Walk out to him, and speak with him, and tell him to raise up." And said, "You'll notice that the clock, it'll be just ten minutes before three." And I got up, set about it, out of the vision.
