# 64-0830E Questions And Answers #4

106 In the Millennium they're in the grave. "The rest of the dead lived not for a thousand years."

Where is heaven?

Why can't we see these things?

# 64-1227 Who Do You Say This Is?

28 You know, the infinite God, as I said here at Phoenix the other day in the meeting down here...Just like television, it's coming, Christ is right here in the building now. See, every move you make, every time you bat your eye, it'll never die. It's in the ether waves of the air.

# 64-1227 Who Do You Say This Is?

Television doesn't manufacture that. It just picks up that wave of you, and produces it on a screen. It's there anyhow. It always was. Every move you ever made is still alive, in the air. Now you see what we're going to be at the judgment?

# 64-1227 Who Do You Say This Is?

29 So, God is here in the same manner. We don't see Him, just like we don't see those television pictures. It takes a certain tube or crystal of something to pick up the voice, and reproduce the picture and so forth. That was here when Adam was on earth, but we just located it.

# 64-1227 Who Do You Say This Is?

God is here this morning. And one of these days, in the Millennium, we're going to realize. It's going to be just more realer than television or things, that He was right here in the meeting this morning.

## 65-0221E Who Is This Melchisedec?

59 Now, television does not manufacture a picture. A television only channels it into a circuit, and then the television screen picks it up. But the picture is there, to begin with. Television was here when Adam was here. Television was here when Elijah set on Mount Carmel.

# 65-0221E Who Is This Melchisedec?

Television was here when Jesus of Nazareth walked the shores of Galilee. But you're just now discovering it. They wouldn't have believed it back there. You'd have been crazy to have said something like it. But now it's become a reality.

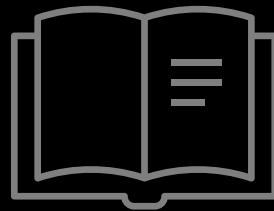

# 65-0221E Who Is This Melchisedec?

And so is it, that Christ is here, the Angels of God are here. And someday, in the great Millennium to come, it'll be just more real than television or anything else, because they are here.
