Always

Believe

Christ

**People refuse parts of
God's Word because it
is UNCOMFORTABLE.**

**People using parts of
God's Word to justify
their natural/cultural
position.**

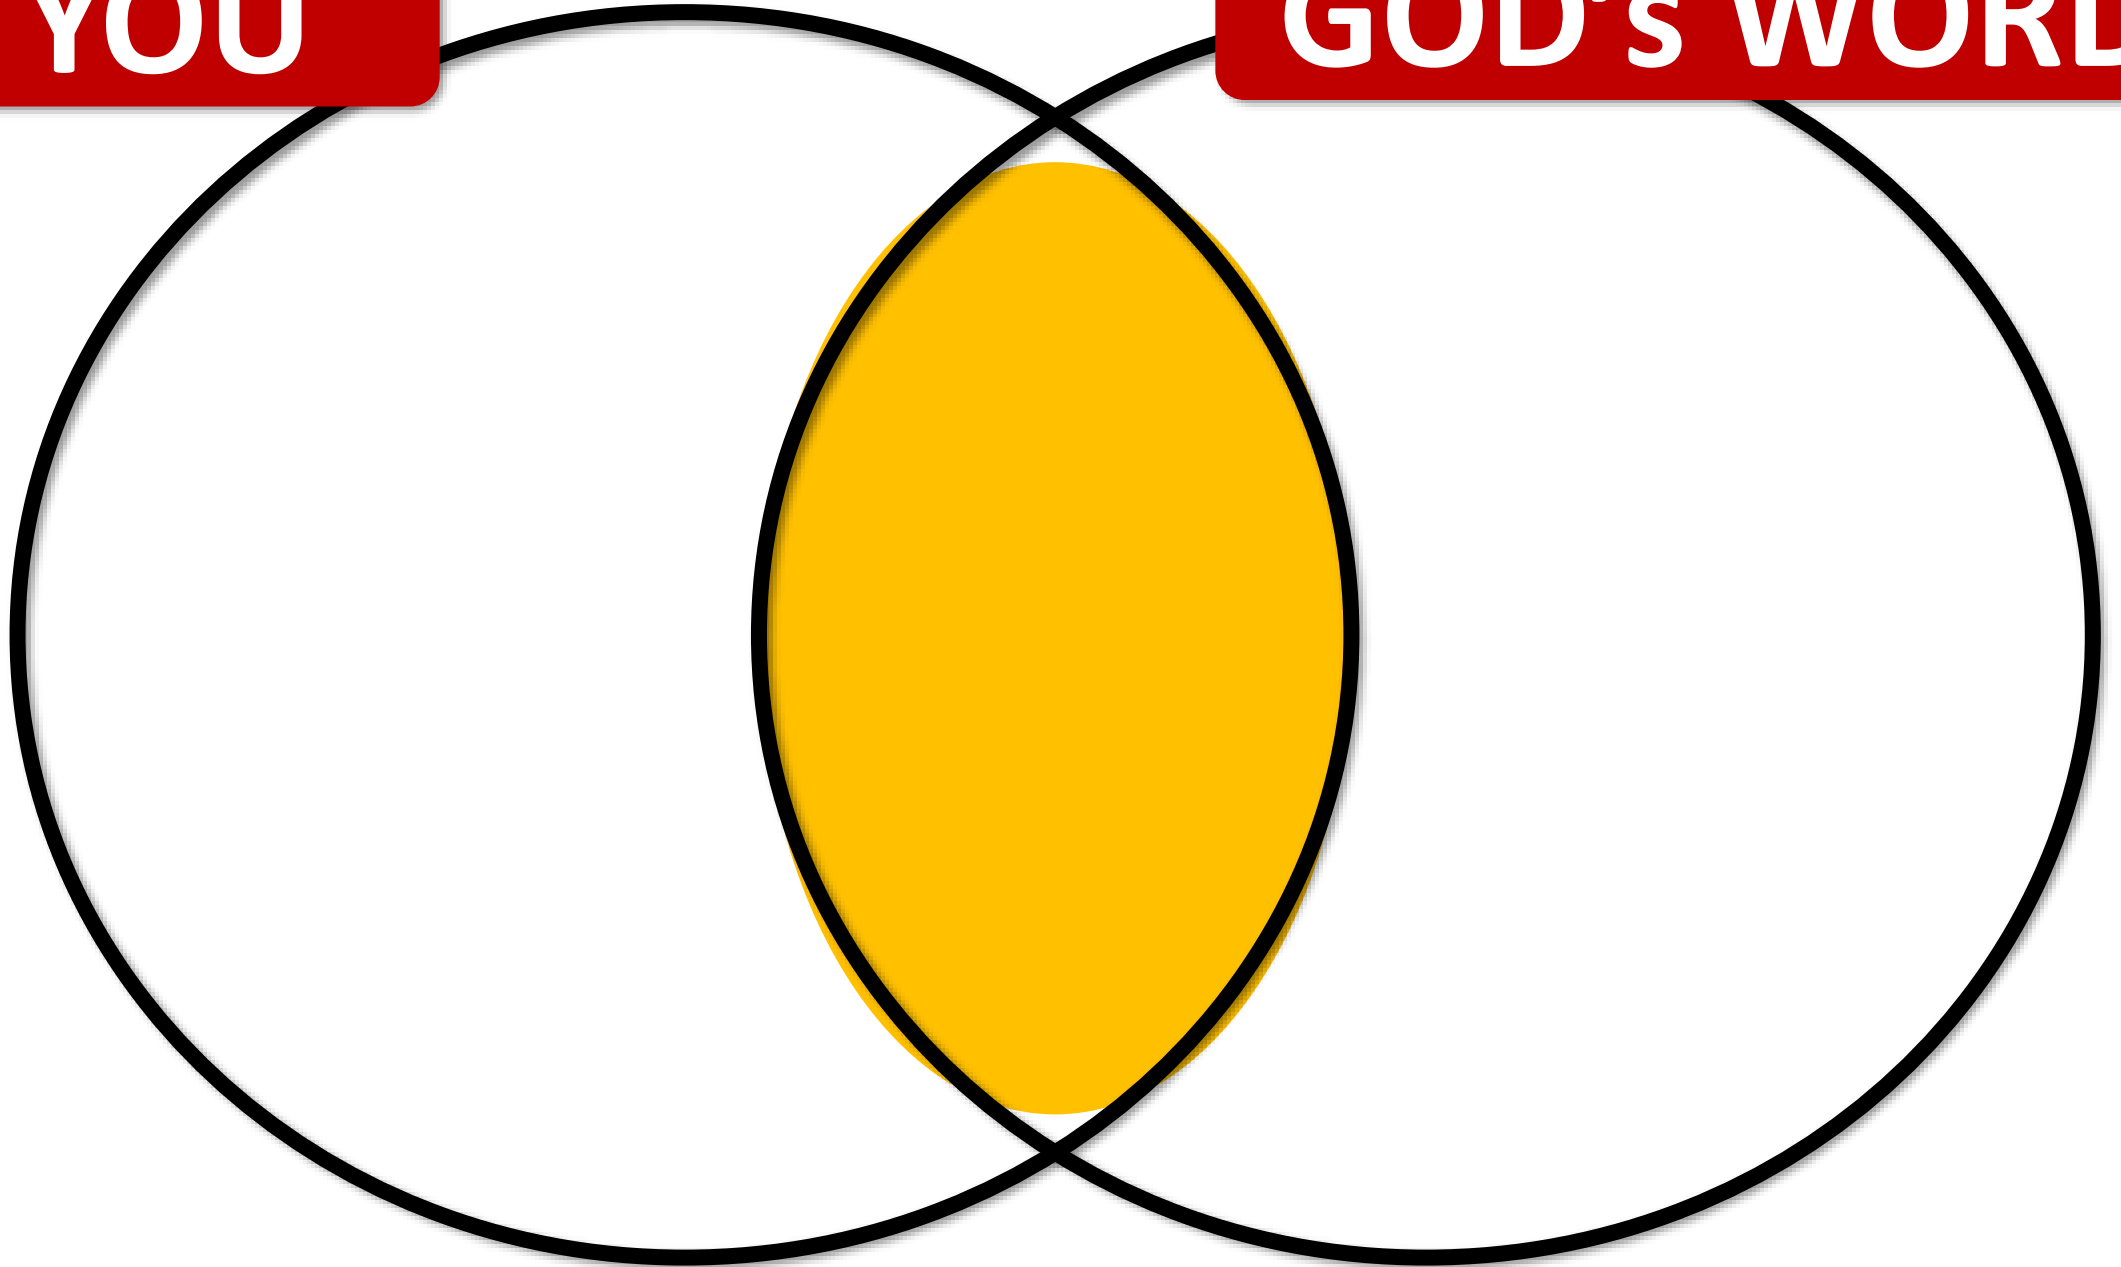

**People demonize others
because it's DIFFERENT
than their own natural
position.**

**Some are willing to
CHANGE God's Word to fit
their purpose, justifying
where they are.**

**This is the highest
form of wickedness.**

63-0223 A Door In A Door

I go into Finland, there is a different spirit. I go into Australia, there is another spirit. I come to America, there is another spirit. It's a national spirit, and all of them are of the devil.

63-0223 A Door In A Door

... Jesus said so. The
kingdoms of this world is the
devil's. He controls every
one of them. Now, Jesus
said so.

65-0206 Doors In Door

181 I said, “When I go in Germany, I find a spirit of Germany. When I went in Finland...” At the sauna up there, many of you Finnish know, the women give the men the baths. So, that’s just a Finnish spirit.

65-0206 Doors In Door

**Mighty fine people, but,
you find, wherever you go,
you find a national spirit.**

65-0206 Doors In Door

182 You go into a church and watch the pastor, if he's real wild and carries on, the congregation will be the same. See? They take the spirit of one another instead of the Holy Spirit.

60-0805 Lamb And Dove

110 That's right, it is your privilege.

Now, if you're born just of the national spirit you'll keep on doing it,

if you're borned of the

Heavenly Spirit you won't do it no

more.

61-0108 Revelation, Chapter Four Part III

18 So then if something has struck us, no matter how real it seems, **if it's not right, not Scriptural, get rid of it right now; 'cause there is a real One waiting, you see.**

63-0126 Investments

You meet God with your soul. And the way that soul is, it produced what kind of a life you are. And if that life in you denies this Word, then get rid of it, and get a life that will stay with that Word and make God live in you.

65-0410 The Easter Seal

Let my brethren see that, that that Spirit comes in and quickens to the Word. Let my sisters see the same thing, Lord. And then, if they see something that won't let them quicken to that Word, O God, may they get rid of it right quick.

57-0821 Hebrews, Chapter One

66 And no matter how much experience you've had, how real it seems to be, how presenting it is, how educational it is, what a great tool it is to win souls; if it doesn't flash in the Word, it's wrong.
Right. It must line up with the Word.

64-0207 The Patriarch Abraham

67 If you can't take that Word test, then if you doubt It, little suspicious of It, you can't hardly believe It, there is something or other, you can't believe It, then don't you come in the prayer line. ...

64-0207 The Patriarch Abraham

... I wouldn't even fool around
the altar, until you can get
enough grace to know that
God's Word is true.
