62-0513M The Way Of A True Prophet Of God

I talked to some men here not long ago, at a hotel, a few days ago, big men in the religious realms. And they said to me, “God proves that He’s with us. Why, we growed last year, Brother Branham,” I forget how many hundreds, like that.

I said, “That’s not one bit of approval.”
Uh-huh. That’s right. Prostitution
improve, increased last year, about
thirty percent; did that show God was
with prostitution? [Congregation says,
“No.”—Ed.]

62-0513M The Way Of A True Prophet Of God
... Uh-huh. Uh-huh. Uh-huh. Sure.
Huh! That argument is no good.
No. You can't do it. No, sir.
God stands with His Word.

Is Truth on your side?

(Not that YOU are always right!)

63-0223 A Door In A Door

Look. Notice. Let's walk around the heart just a minute.

The first thing, as you go into the human heart, on the right side as you go in, there's a little door there, and it's called "my private life."

63-0223 A Door In A Door

Now, you don't want nobody fooling in that. "Now, if I want to do anything, that's my business. I'll join church, and I'll go down there. But, preacher, don't you tell me what I got to do." Oh, yeah. See? ...

63-0223 A Door In A Door

... “Now, I know the Bible says That,
but I don’t believe It.” Oh, boy! See?
Then, you think Jesus would ever
stay in a heart like that? Certainly
not. He comes in to be Lord. ...

63-0223 A Door In A Door

And that private life, oh, that's a great thing. Now, you know we want our own private life. "If we want a social drink with the neighbor, that's our business. If we women would want to cut our hair, that's what... That's our own American privilege. ...

63-0223 A Door In A Door

... If we want to wear shorts, that's our business." Well, that's true. "If we men want to take a sociable drink, and if we want to let our wife do that, you ain't got no business saying one word to us."

63-0223 A Door In A Door

But the Gospel said, “Don’t do it.” Now, whose word is right?
See? God’s Word is right.

If you have
nothing to hide...

... don't hide!

Love hard questions!

But if you are hiding
something you will
always be afraid.

(heart condemns you, double minded)

63-0626 Why?

Our number-one...Heart disease doesn't, the main thing that kills the people today. It's number-one: sin disease. And sin is unbelief. Unbelief in what?

The Bible. ...

63-0626 Why?

That's right. Yes, it's the number-one: sin disease, that kills the people today, both spiritually and...And that'll make them kill them physically, of course, 'cause they already can prove that man that holds grudges, and women who fuss and stew, and fight and argue, they die. It'll cause cancer, fungus, everything else will set in, ulcers.

63-0626 Why?

See, you were made to be happy and free. You were made to live like children before your Father, and know that He makes every day, everything work right for you each day. Yes, sir.

56-0405 The Resurrection Of Jesus

And if you notice, it's when you are discouraged that's when the devil can really pour it on you. That's when He gets you. If you come to the church and say, "Well, I don't know. I don't know whether I'll ever get any better or not. I've been prayed for twice."

56-0405 The Resurrection Of Jesus

But when you can cast that aside...God don't want you to be frowning. God wants you to be happy. The human heart was made to be happy. Worry will cause cancer. Temper will cause cancer. Don't never be upset. Just walk in His love. Amen.
