Satisfaction

HEBREWS 10 : 2

. . . no more conscience . . .

65-0919 Thirst

And I have nothing against going to church, but that isn't the satisfaction.
It's to find God, the living God, the God of Heaven, into your soul, that satisfies that longing and thirsting that you long for.

BULLSEYE

Can't do better than
bullseye!

“Hail Mary”

traded for

“I hate myself”

Sometimes God's
approves of you... but
*you don't approve of
yourself.*
(lying spirit)

Sometimes God does
NOT approve of you ...

but *we approve of
ourselves...*

(lying spirit)

BULLSEYE?

Endlessly trying to be
“better”.

Unattainable ideas with no
objective.

BULLSEYE?

If we hold OUT on God's
Word we have no right to
be satisfied.

BULLSEYE

When you let go of all
things of this world and
stand with God's Word ...
you stand with the Eternal.

BULLSEYE !!!

“According to your
word I have done what
you commanded.”

63-0607 Be Not Afraid

That's what the Angel said to me,
said, "If you can get the people
to believe you." Not believe me
as Him, but believe He sent me.
It's for your little boy. That's right.

APPROVED?

You believe you have
fulfilled His Word... but
did you test to make
sure?

“I feel the Lord told me”

“God told me”

“I felt led”

APPROVED?

... test your action, allow
it to be tested ... not just
approval in our own
mind!

**The test is not the
purpose. The test is
only to get to the
purpose.**

(like this service)

APPROVED

Faith hit the bullseye
and God approved
through a response.

APPROVED

God is satisfied with
me.

65-0919 Thirst

Now, you know that David said here, “for the living God.” Now, “In the beginning was the Word, and the Word was with God, and the Word was God. And the Word was made flesh and dwelt among us.” ...

65-0919 Thirst

... Then there can be no satisfaction
until this Word, which is God,
becomes alive in you, then you see
God Himself fulfilling the promises
that He made in the Bible.

65-0919 Thirst

... Now we have different interpreters of the Bible. One church interprets It this way, another one interprets It that way, and another one this way. ...

65-0919 Thirst

... Some don't take but a little bit of It; some take here and there, a piece of It. But God is His Own Interpreter. When He makes a promise and fulfills it, that's the interpretation thereof.

SATISFIED

- (1) I acted on only God's Word.
- (2) He approved it with a response
- (3) Now I am satisfied.
