Believe it! You got to believe it. Got to be
Something there, open that damper, open
that thing to let you in on it. What we need
today is not pray for more Power. You got
enough Power to make a new earth.
What you need is faith to
use that Power.

What you need is control that life, and
live such a godly life, that when you ask
God anything, you know! We have
confidence in God, of that. We know, if
we keep His Commandments, He'll
withhold no good thing from us, if we
walk with Him. God walking with us.

They had but one thing to do. They
had but one thing to do, that's,
stay straight on the course. Not
wander off over here, and wander
off over there; but stay on the
course!

How will we know
up from down when
Spirits are moving?

Evil spirits calling
out for help!

We stand here tonight and say, that,

“Jesus Christ is the same yesterday,

today, and forever.” God is obligated to

prove that to be so, because It's His

Word. Now, what does it do? It takes

faith, in believing It. Takes faith, in

believing His Word, that It is the Truth.

The Pentecostal church is in a Laodicean condition. Oh, they still jump and holler, and carry on when the music is beating. When the music stops beating, or the beatnik music some of them play and calling it Christianity, and whenever that stops, all the glory is gone. Yeah.

65-0219 This Day This Scripture Is Fulfilled
The Holy Ghost is the Word of God in
you, that identifies Itself by accepting
that Word. Outside of that, it can't be
the Holy Ghost. If it says it's the Holy
Spirit, and denies one Word of that Bible,
it cannot be the Holy Spirit. That's the
evidence whether you believe or not.

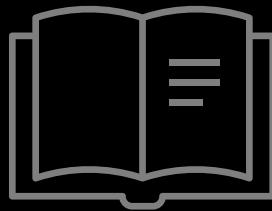

What should I do
when I feel
His presence?

nervousness

Look to Him, in that
moment, open your
heart to what
HE wants to do!
