Notice, the very day when this messenger...Not when he starts on, but when he begins to declare his Message. See? The First Pull, healing; Second Pull, prophesying; Third Pull, the opening of the Word, the mysteries revealed.

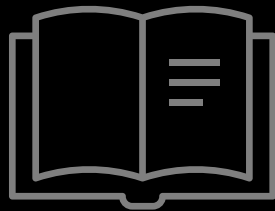

65-0725M The Anointed Ones At The End Time
No more, there is no more higher order to reveal the Word, than prophets. But the only way the prophet can be vindicated is by the Word. And, remember, the Third Pull was the opening of them Seven Seals, to reveal the hidden Truth that's been sealed in the Word.

62-0603 The End-Time Evangelism

So, but there is a way out, that's Christ. Now, the Christian should not be in that condition. We should be happy, waiting for the Coming, for it's close. We can feel the cooling breeze of Calvary. When we look down and see the God of Heaven Who made the promise, and the very things that Jesus did in His life, promised would return in the last days, and here we see it.

62-0603 The End-Time Evangelism

What is that? That's the breath of that refreshing, like the rain coming. See? We know redemption is nigh. See? Something's fixing to take place. Now, the world doesn't see that. They laugh at it, because like they did in other days. But we know that it's coming near.
