Many take the tides of
wickedness for granted.

When are the
tides the greatest?

63-0825M How Can I Overcome?

Where, the man had been in the institution and had treatments and everything. The Holy Spirit revealing all this. When, the doctors trying hard to do everything that they could, perhaps, for the man, but it just took that certain little touch from God, to turn the tide.

61-0413 Why?

39 And if we can't love one another,
how are we going to love God Who we
haven't seen? See? We must find the
thing, we've got to love one another,
though we differ, you got to love
anyhow. ...

61-0413 Why?

... You can't bluff it, you got to really do it. ...The greatest power I've ever found in healing is love, when you have sympathy and love for the people, trying to help them.

A blue sailboat with a yellow mast and a red flag is beached on a wet, reflective shore at low tide. The sky is blue with light clouds. The text 'Can You Turn the Tide?' is overlaid on the right side of the image.
