# LEVITICUS 13 : 1 - 2

... Leprosy identified ...

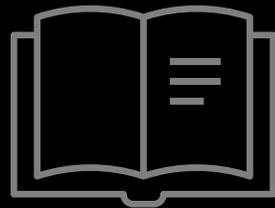

Biblical “leprosy” is not the modern “Hansen’s Disease” also known as “leprosy”.

The Hebrew word, which was translated as “leprosy” was a broad term for various types of infections or diseases.

# LEVITICUS 13 : 3 - 59

... law of leprosy ...

Why so much detail?

Is the sin growing?

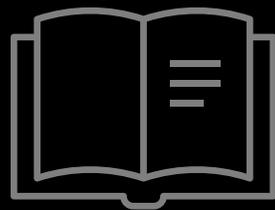

Then it's *infectious*.

The sin isn't growing?

*Watch it*, see what it  
produces.

# LUKE 17 : 11 - 19

... 10 lepers ...

Eagle in the cage.

Even in a cage...

... he was still an eagle.

## 61-0425E The Forgotten Beatitude

They talk about a hawk having an eye, or, and a hawk being able to fly up in the air, why, if a hawk would try to follow an eagle, he'd disintegrate in the air, he sure would. ...

## 61-0425E The Forgotten Beatitude

... And now, what good is it going to do the eagle to get up there if he hasn't got enough eye to see, where, back down to the earth again?

## 61-0425E The Forgotten Beatitude

It's just like if, what are we doing jumping high if we don't know what we're jumping about? See? And what are we testifying high, or making a lot of noise if we haven't got nothing to make a noise about? ...

## 61-0425E The Forgotten Beatitude

... And it's different now, the noise is fine if you got something to make a noise about, but wait till that comes first, and it'll be a noise all your life then.
