## 63-0901E Desperations

Usually, it takes a state of emergency, to throw us into desperation. See? It's too bad it has to do that, but human beings are so slothful in their mind, that it takes an emergency.

## 63-0901E Desperations

Pentecost, there is where you failed!

## 63-0901E Desperations

If you come, say, "I'll pass through the prayer line; put the oil on my head, I'll see if it does me any good," might as well set where you're at. ...

## 63-0901E Desperations

... Until you get to that place, until the whole church gets to a place, that it's between death and life, you've got to have it now or perish, then God will move on the scene. It takes desperation to bring God on the scene.
