

**LEGACY
OF THE
MESSIAH**

JAMES 1 : 5 - 12

... shall pass ...

Would your legacy be
what you think it is?

Or would people
rush to forget you?

Best intentions
do not equal good fruit.

The evidence of fruit is ...
fruit.

Would you leave
more than memories?

We wrestle with our own
challenges, forgetting that
when we leave all
challenges are done.

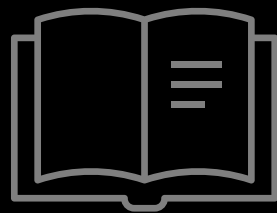

Projecting vs teaching

Projecting
vs
teaching

We leave only
what we have
planted spiritually.

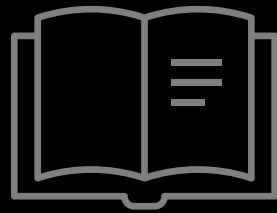

MATTHEW 24 : 35

... my Logos ...

GENESIS 18 : 9 - 14

... I shall ...

61-0117 The Messiah

Then when God was made flesh and became the Messiah, then if we can yield ourselves to be the anointed like He was, we become Messiahettes, little Lights.

That's what the Church is supposed to be, Lights, little anointed ones.

That's God's Church.

61-0117 The Messiah

Man was made to be a god, God was made to be man. Oh, Messiah! The great Jehovah dwelt in a human body, He made that body like His so He could be a human body, a Messiahette, to govern His earth and control it. Amen. “The works that I do, shall they do also.” Oh, I like that!

61-0117 The Messiah

We can change, our human selves can change, but God can't change, He has to be the same. He's infinite, we're finite, so He cannot change. So when He comes upon His Church in the last days, what will It be? ...

61-0117 The Messiah

... A pulled-out, a group of people anoointed with the Spirit of God, they will be Messiahettes, see, they'll be anoointed ones. And if His Spirit is in them, they'll do the things that He did, just exactly. Isn't that right?

61-0117 The Messiah

Then if you say...If you can take that, and connect the Word with the dynamo, then if the current comes back saying it's right, you got a connection; if you put it up there and nothing happens, you got an insulator somewhere, got a broken line somewhere.

61-0117 The Messiah

But put it up against the dynamo,
if the current comes through,
then you got a straight conductor,
you got a conductor.
