57-0610 Faith Once Delivered To The Saints

Just look what's taken place, I'm just a little, teeny pebble to the great beach of great stones, but right in my own ministry I have seen tens of thousands of people healed.

61-1001M It Becometh Us To Fulfil All Righteousness
And I was way back in the back, on a young
horse, trying to wrangle up the strays and
bring them in. And the Holy Spirit, in His
grace, came down. I spurred up my horse,
and rode on past the string, up to where Mr.
Southwick was leading, out in the front,
through the bush. And I said, "Bud?"

61-1001M It Becometh Us To Fulfil All Righteousness

He said, "Yes, Brother Branham."

I said, "Will you take my word?"

He said, "With anything you say."

61-1001M It Becometh Us To Fulfil All Righteousness
And I said, "I have a THUS SAITH THE LORD
for you." I said, "Go get your brother from
Fort Saint John," which is seven or eight
hundred miles away, "bring him up on the
highway here." And he lived in an old shanty
with an old salamander there for a stove,
had his children in there. ...

61-1001M It Becometh Us To Fulfil All Righteousness

... And I said, “The first time he falls
into an epileptic fit, jerk his shirt off of
his back. I’ll give you something to do.
Throw it into the fire, and say, ‘This I
do in the Name of Jesus Christ.’”

61-1001M It Becometh Us To Fulfil All Righteousness

He said, "I'll do it."

61-1001M It Becometh Us To Fulfil All Righteousness
So he went, sent and got his brother, brought him up there. And that morning he had to go out on trail, with some conservation man.
And his brother usually have two or three of those fits, a day, and had them since he was a little boy. And his wife was scared to death, of him, when he had those fits, because he got violent; a very strong, young fellow. ...

61-1001M It Becometh Us To Fulfil All Righteousness
And he fell into a fit, after Bud left.
Instead of her jumping through the
window, like she usually did, getting
her children out of the way, she just
jumped right straddle of him, and
jerked off his shirt; ...

61-1001M It Becometh Us To Fulfil All Righteousness
... a little, Holy Ghost-filled
woman, jerked off his shirt and
threwed it in the fire, and said,
“This I do in the Name of Jesus
Christ.” He’s never had one since.
That was last spring.

64-0614M The Unveiling Of God

There is several sitting here, a number, that was with us the other day when He came in a whirlwind. Told us the day before, Brother Banks Wood and them, when He said, "Take up this rock, throw it up in the air, and say, 'THUS SAITH THE LORD! You will see it right away.'" ...

64-0614M The Unveiling Of God

... And I picked up the rock, up on top the mountain, threw it up in the air, and the...course, coming down, it started the whirlwind, see, the suction of it.

64-0614M The Unveiling Of God

You have to do something to cause something to follow it. Jesus took a piece of bread and broke it, then multiplied from that piece of bread. He took water, poured it into a pitcher. Elijah took salt, put it in a cruse; cut down a stick, throwed it on the water. It's something to symbolize.

64-0614M The Unveiling Of God

And picking up this rock
and throwing it into the
air, and coming down
started the whirlwind.

65-1126 Works Is Faith Expressed
I said, “Brother Roy, get under
something, right quick, something’s
fixing to happen.”

57 He said, “What do you mean,
Brother Branham?”

65-1126 Works Is Faith Expressed
I said, "Don't talk! Get under
something, quick!" And I turned and
picked up a shovel, there by the side
of the place, and walked off from
them 'cause I knew it would come
where I was at.

65-1126 Works Is Faith Expressed

Right beside of a great canyon, eight or ten times higher than this building, it's a "box" canyon; like a fire come down from the Heavens, like a whirlwind, just a few feet above where I was standing. And ripped the rocks right out of the mountain, went out through and cut the tops of the mesquite trees off, for a hundred yards out.

65-1126 Works Is Faith Expressed

Everybody's running, trying to get under trucks and everything else. It went back up again and clapped like a great thunder. Went back up through the skies again, and come down again. It done that three times. And when it was all over, they come over and asked, "What did it mean?"

65-1126 Works Is Faith Expressed

I said, "I don't want to tell you; it was a judgment sign. In a few days, a great earthquake's going to strike on the West. And it won't stop. California, Los Angeles will sink. It's going down. She'll slide right into the ocean." And two days after that, the Alaskan earthquake shook Alaska.
