GENESIS 1 : 1 - 10

... let there be ...

PHYSICS

Physics is the study of matter and energy and the interaction between them.

Physics did
not invent physics.

God created
and man
discovered
physics.

Visualized Sound

Sympathetic Resonance

Example

Sympathetic resonance
is the source
replicating itself
in something else.

$$E = MC^2$$

$$E = MC^2$$

- **E = Energy**

- *capacity to do work or produce heat*

- **M = Mass**

- *the amount of matter in an object*

- **C = Speed of Light**

- *a constant*

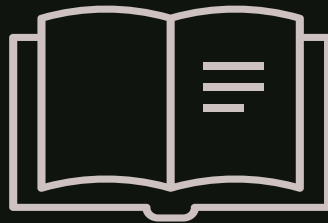

- **Squared = multiplied by**

$$E = MC^2$$

States that energy and mass are two forms of the same thing. Mass times the speed of light squared....

JOHN 1:1-5

... darkness couldn't understand ...

The Spiritual
became natural ...

The thought
BECAME ...

The Spiritual crossed
the barrier of
dimensions and
became physical.

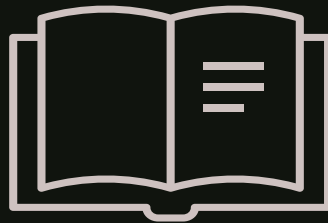

In the Beginning
He did so by
creating the
Heavens and earth.

... then He did it again
and broke
the sin barrier.

The Word Became ...

JOHN 1 : 14

... BECAME ...

63-0321 The Fourth Seal

As I said, God is like a big contractor. He lays out all His material on the earth, and then He builds His buildings. ...

63-0321 The Fourth Seal

... Now remember, before there was a grain of seed on the earth, before there was a sun that ever struck the earth, your body was laying on the earth, 'cause you are the dust of the earth. See? You are. God is the Contractor.

Every instrument,
regardless of what notes
it tries to play,
**testifies of what
it is tuned to.**

65-0219 This Day This Scripture Is Fulfilled

Oh, could a bunch like that ever believe in Him? No, sir. They had been so hog-wallowed in the muck of societies and filth of the day, until they were so ecclesiastical froze up until they couldn't feel the vibrations of the Power of Almighty God.

Another group
got together ...

- Abram => Abraham
- Sarai => Sarah
- Jacob => Israel
- Saul => Paul

47-0412 Faith Is The Substance

Maybe I'll give the audience a rest. Raise your head up if some of you would like to see. How many has heard me explain about vibrations, what is? Let's see your hands. How many in here understands about how the gift come, the vibration over my hand? Let's see your hand. You all see what it is, chemical.
